

Apprenticeship Program Contact Information

Apprenticeship qualifications vary from one trade to the next, but most require:

- A high school diploma or General Equivalency Diploma (GED)
- Your own transportation
- Physical fitness
- Ability to work with your hands

Many trades also require:

- Above-average math skills
- Completion of courses such as drafting, industrial arts, applied English and algebra
- Ability to work at elevated heights

Trades Offering Apprenticeships

- **Boilermaker:** works with boilers and vats
- **Bricklayer:** builds with brick, cinderblock or concrete block
- **Cabinetmaker:** builds cabinets and/or furniture using woodworking machines and tools
- **Carpenter:** works at a variety of building tasks using hand and power tools
- **Cement Mason:** lays and finishes concrete using hand and power tools
- **Drywall Finisher:** prepares drywall surfaces for painting and papering
- **Electrician:** installs and maintains electrical wiring and apparatus
- **Millwright:** installs escalators and other conveyor systems, generators and electric turbines
- **Ornamental Ironworker:** installs ironwork that is not part of a structural frame, such as window frames, stairs and fire escapes
- **Operating Engineer:** runs heavy equipment like bulldozers, power shovels, graders and derricks
- **Painter/Decorator:** applies paint and paper to outdoor and indoor walls
- **Patternmaker:** makes metal foundry patterns, core boxes and match plates
- **Pipefitter:** installs and repairs low and high pressure pipe systems
- **Plasterer:** applies plaster to interior walls and ceiling
- **Plumber:** installs and maintains pipe and water systems
- **Roofer:** installs and repairs a variety of roof surfaces
- **Sheet Metal Worker:** works with sheet metal products such as ventilation units
- **Sprinkler Fitter:** installs fire protection and irrigation systems
- **Structural Ironworker:** assembles, installs and maintains iron and steel structures
- **Terrazzo/Tile Layer:** installs terrazzo and tile to floors, walls and ceilings
- **Tuckpointer:** erects scaffolding, shoring and braces, and seals outside surfaces

What is Needed to Apply for Apprenticeships

(Required documentation may vary from one trade to another)

- High school diploma or GED certificate
- Names and addresses of the high schools or vocational schools attended
- Copy of birth certificate
- Names, addresses and telephone numbers of two or three persons who have agreed to serve as personal references
- Veterans need a Certificate of Release or Discharge from Active Duty (Form DD-214)
