

Proposed Disaster Relief Project/Job Examples

Statement of Need		Project Activities	Requirements to Carry Out Disaster-Relief Positions	Partners
Contact tracing required to halt spread of COVID-19.	All counties	Case workers will facilitate contact identification, contact listing, and contact follow-up.	Cell phones, laptops, training in empathic messaging.	Local health departments, hospitals, non-profits in the health industry.
Homebound individuals cannot access needed food and supplies because they cannot go to the grocery store.	All counties	Personal shoppers and delivery drivers to shop, package, and deliver groceries and other supplies to homebound community members, and run errands as needed for homebound individuals.	Training in food safety, sanitization, CDL, and COVID-19 symptoms/prevention.	Community-based stores will partner to make goods available online for home shoppers.
Grocery store workers are at risk of getting sick because customers unknowingly continue to shop when infected.		Some shoppers will be stationed at stores to prepare orders, while others will be mobile and able to shop at multiple locations.	Sanitation supplies, gloves, face masks, disinfectants, smartphone with thermometer sensor/app, and COVID-19 testing kits.	
Public facilities and small businesses cannot open until buildings are sanitized.	All counties	Cleaners to sanitize public facilities and small businesses	Training in sanitation, infectious diseases, and COVID-19 symptoms. prevention. Sanitation supplies, gloves, face masks, disinfectants, foggers, protective gear, smartphone with thermometer sensor/app, and COVID-19 testing kits.	Local public health centers.
Call centers at mental health clinics are inundated with calls from individuals suffering anxiety or depression as a result of confinement or job loss.	All counties	Peer counselors and resource coordinators will be placed remotely to work with call centers, local workforce centers, and community centers to provide peer-to-peer counseling and help connect individuals with proper resources. Peer-to-peer counselors will help callers develop personal plans to support their mental and physical health as well as their critical resource needs.	Training in peer-to-peer counseling, virtual counseling, unemployment insurance, community resources and planning. these positions are remote.	Local Workforce Development Boards, mental health clinics, and community centers.
