### **About The Armed Barbers**

The Armed Barbers is a small local family-owned barbershop located in Benton, Illinois. A true man's barbershop located in the main facility on the grounds of the Extreme Exigency Shooting Park. Where we took two things men love and put them together.

Shooting and classic men's haircuts. A place to shoot and a place to enjoy old school classic haircuts, beard trims, and hot towel straight blade razor shaves.

The male baby boomer is now in his 50s and 60s, craves a return to the shops he knew while growing up. He does not want to be surrounded by the smell of acrylics or chemicals. He wants to feel comfortable and secure in a male domain when he receives a haircut, beard trim or face shave. Younger men are wearing shorter traditional old school hair styles such as pompadours, fades, and military cuts. These styles required the expertise of a barber.

Our barbershop provides more than just barber services, our shop offers old school long lost true service, expertise, tools, guidance, and a place to gather, relax, enjoy comradeship, a place to feel welcome and caters to every grooming need, for all ages. We pride ourselves on working in excellence and delivering outstanding service in everything we do for our clients. At the Armed Barbers, we are looking for 2 or more full-time or part-time Barbers or Stylists (who is interested in learning men's hair) to work Tuesday through Saturday.
