

Man-Tra-Con Corporation is working with a local employer to fill the following position:

Job Title: Coating Operator (WEP-120518-01)

Location: Carbondale, Illinois

Salary: 13.00 + per hour

Job Description

Employer in Carbondale, Illinois, is seeking candidates for a full-time Coating Operator position. Operators are responsible for the execution of duties in the mixing and coating department. They are accountable for the quantity and quality of production from the department. They are required to perform all activities in a manner that adheres to safety and regulatory guidelines. This position is full-time, working from 6:45 a.m. to 3:15 p.m., Monday through Friday.

Coating/Mixing Certifications will be required, but not be limited to the following:

- A. Passing written and hands on practical tests regarding equipment and products.
- B. Knowledge and practice of all safety procedures in the area.
- C. Operation of required material handling devices and proper handling of materials.
- D. Ability to accurately collect data and complete record keeping requirements.
- E. Knowledge of product specifications and quality requirements.
- F. Knowledge of "change-over" procedures and machine set-up for all products.
- G. Ability to "change-over," start-up, monitor, and adjust operating conditions to maintain quality, production, and safety standards on the production equipment.
- H. Demonstrate ability to train new employees or employees learning new equipment.
- I. Ability to produce product at an acceptable rate and of required quality.
- J. Ability to use required measuring and weighing tools and devices.
- K. Perform routine maintenance, including but not limited to cleaning equipment, lubricating equipment, making adjustments and fixing minor mechanical problems.
- L. Complete the required training and perform the duties of a Hazardous Waste Handler to include:
 - a. Transfer of hazardous waste containers to accumulation area
 - b. Ensure hazardous waste containers are properly labeled and sealed

Hiring and General Requirements

- A. High school graduate or equivalent work experience with basic math, written, and oral communication skills.
- B. Ability and willingness to work with others as a team member.
- C. Maintain a satisfactory attendance record.
- D. Ability to understand and work with metric measures and volumes.
- E. Previous machine operation related experience preferred.
- F. Ability to lift 60 lbs., climb stairs, walk, and stand a significant part of the shift.
- G. Able to work in high humidity and high temperature environments.

- H. Must be able to work any shift required, including overtime within the provisions of the union contract.
- I. Complete all required annual training to satisfy our safety rules, and the EPA and OSHA regulations.
- J. Participate on problem solving teams as required.
- K. Perform other duties as assigned.
