

Man-Tra-Con Corporation is working with a local employer to fill the following position:

Job Title: Cleaning Technician (EP-050322-01)

Location: Carterville, Illinois

Salary: \$15.00 per hour to start, switched to commission pay after training period.

Job Description

Shawnee Hoods in Carterville, Illinois, is seeking candidates for a Cleaning Technician position to clean the kitchen exhaust systems in restaurants, schools, hospitals, and nursing homes. This is a full-time position, working evenings and nights.

Technicians will clean using pressure washing machines and a de-greaser. The roof tech would also help the crew leader (who cleans the hoods inside) as needed. The majority of the roofs worked on are flat. Technicians could potentially get a little wet during the cleaning process.

Cleaning is performed under all weather conditions with the exception of ice and lightning. If conditions are not safe for the technician on the roof, the company does not proceed with the cleaning job until it is safe.

Employer will provide uniform shirts and nitrile gloves to start. If candidate becomes a permanent employee after the training period, employer offers a uniform program through Cintas. Employees will pay for this service via a weekly paycheck deduction. Employees will also receive a \$50 boot stipend annually.

Requirements

Candidates must:

- Have a valid Driver's license
- Be able to pass a drug test
- Be capable of climbing in and out of a box truck
- Be comfortable with heights
- Be able to carry 75 lbs.

How to Apply

This employment opportunity is available at no cost to you! To apply, email your resume to with "Cleaning Technician (EP-050322-01)" in the subject line to Amanda Miller at:
